Date:	10/2/2026
Material:	balsa, one piece
Body wood:	5.94 in3 = 9-16 g (6-10 lb/ft3 balsa)

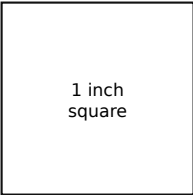

CO2 DRAGSTER - WORKING DRAWING

SHEET 2 OF 2 · back view

Scale 1:1 (full size). Inches. Hidden lines dashed. Print on 8.5 x 14 legal, landscape, at ACTUAL SIZE / 100%.
Back view: looking at the rear (CO2 end). The front pod and front wheels are the same size and sit directly behind the rear ones, so they are hidden.

Print check: must measure exactly 1"
